ABOUT THE INSTITUTE

Haldia Institute of Technology (An Institute of ICARE, Haldia; approved by AICTE; affiliated to MAKAUT, Kolkata) began its journey in the year 1996. It is the first private and accredited academic institution catering technical education in West Bengal. The Institute is situated at Haldia – an industrial hub in Eastern India. Since inception, Haldia Institute of Technology is dedicated to the objectives of creating highly trained professional manpower in various disciplines of Engineering, Technology and Social Science. The Institute is also dedicated to the contribution of higher scientific research in Technology as well as in Applied Science and Social Science.

OBJECTIVE OF THE WEBINAR

To catch up with the first pace of technology innovations, attending webinars for knowledge sharing is a must for engineering faculties and researcher. This webinar aims to provide a platform for eminent academicians, technologists and young researchers to exchange their ideas on the latest development and future trends in the fields of Machine Learning Applications. The Eminent researchers in this domain share their experience and knowledge with the participants, which in turn are expected to promote research activities in these advanced fields. This webinar will also provide the platform for investment and collaborations between Academia, R & D sectors and Industries. This webinar aims to encourage participants to take part in this scientific event with serious activeness.

SOME OF EMINENT SPEAKERS

Prof. Prasanta K. Jana, Indian Institute of Technology (ISM), Dhabad

Prof. Debi Prosad Dogra, Indian Institute of Technology, Bhubaneswar

Prof. Bidyut Kumar Patra, National Institute of Technology, Rourkela.
